EXPLANATION

Each race is listed by track and date, distance, type of race, placing, if in the first five and track condition in parentheses, e.g., "Ceg Au 15 5-1250-3(h)" simply means the horse in question ran in Calgary on the 15th of August, at a distance of 5 furlongs for a claiming price of \$1,250, finishing third—on a heavy track.

Unless otherwise specified track condition will be considered as fast; (m) muddy, (s) slow, (sy) sloppy, (g) good, (h) heavy.

In races other than claiming' "mdns" means a maiden or non-winners' race, "alw" allowance, "SpW" special weights, "hcp" handicap, and "stks" stakes.

Distances are shown by "3" for three furlongs, with "M" for one mile, "9" for 1 1/8 miles, "10" for 1 1/4 miles, "12" for 1 1/2 miles, etc.

ABSORBINE... **Ask Elliott Burch, two-time** **Horse of the Year trainer.**

Elliott Burch has a streak going. In 1969 he took Horse of the Year honors with Arts and Letters. In 1970 he did it again with Fort Marcy.

Listen to Burch tell you one of the ways he trains champions: "I use Absorbine every day on my horses, to keep them running fit all year long." Why not treat your horse like a winner, too. Use Absorbine Veterinary Liniment, the anti-lameness conditioner preferred by trainers of champions.

W. F. Young, Inc.,
425 River Street,
Verdun 203, Que.

Use Hooflex Veterinary Hoof Conditioner, too. It's another favorite with top trainers. Available in the U.S. and Canada.

TWO-YEAR-OLDS

TIMBER TOPPER — "Tops the juveniles".

TIMBER TOPPER, gelded chestnut son of *Maxinkuckee — Roundy's Lass, by Nearctic topped the list of juvenile runners in the money-earned and performance classes. Owned by Sturgeon River Ranch and trained by F. D. (Freddy) Jones, **TIMBER TOPPER** made 7 starts, with 5 wins, and 2 seconds, for earnings of \$16,980, including Freshman H., Kindergarten H., Birdcatcher S., Youthful H., and placed Stampede Futurity S.

MADLY MAGIC, dark bay or brown colt by Magic Morn — Nasty Ann, was runner-up in the money-earned class, when he won the Stampede Futurity for his owner R. J. Bennett of Kelowna with earnings of \$14,248. The colt was handled by R. J. Anderson.

MR. WOLFE, gelded bay son of Reasonably Fair — Virginia Fair, lived up to the expectations of his owner Bory Margolis and trainer Red Smith, by winning Caballeros H., and placing 2nd in the Birdcatcher S. Total performance included 3 firsts, 2 seconds and 2 fourths in nine starts and earnings of \$6,492.

During the season a total of 241 two-year-olds started on Prairie tracks, including Edmonton, Calgary, Regina, Saskatoon and Lethbridge. Juveniles to watch in the 1972 season are Tolaquillo, Cape Dyer, Palatial, Eastern Jade, Honor and Glory, Western Fair, Tinga Whippet, The Seeker, Stettler Auction, Gemation, and Shield of Hope.

NOTE: All two-year-olds have been given a rating, based on performance and personal observation. Ratings range from 150 down to 100. Mud running ability is rated by one star (*) good two stars (**) excellent at the end of the breed lines. Earnings do **NOT** include W.C.R.A. bonuses.

SUIT YOURSELF

The old crook was bent on selling a retired, exhausted old nag to a reputed sucker in the next town, and had worked doggedly, grooming and spraying the ancient, swaying mare. As he led her out for inspection, she began to wheeze. "You'll get plenty outta her, wait and see", he shouted to drown out her respiratory distress. "See how healthy she is? Look at the beautiful coat" "Yeah — yeah." his victim snapped, suddenly alert — "The coat's O.K. but I don't care for the pants."

SERVICE

One owner I know had a mare, which never seemed to get in foal when following the usual procedure so he was advised to try pasture breeding. He contacted the farm which advertised this type of service and asked the young lady who answered the phone how long the mare would have to be turned out with the stallion. Just as the secretary was getting ready to reply, the other phone in the farm office rang.

"Just a minute," she said to the mare owner. "Gee," he said and hung up.

FOUR-YEAR-OLDS AND UPWARD

AGAINST THE WIND — "or rain or shine". A Champion.

AGAINST THE WIND, American bred four-year-old bay son of Windy Sands — Sybil by Beau Pere, owned by "Reg" Dillabough's Terra Jet Stable and trained by Marcel Crowe, stole the limelight by winning all of his six starts in convincing fashion, at distances from 6½ to 9 furlongs, over every type of track, from mud to fast, for combined earnings of \$27,397, including Laurier Park, Strathcona, Continental, Stampede, and Westener handicaps, then put the icing on the cake by going to the winners' circle in the Speed To Spare Stakes.

Runner-up was **SOOTIME**, four-year-old gelded chestnut son of *Soodani — Queen-A-Time, with earnings of \$13,140 from 3 wins, 3 seconds, 3 thirds and a fourth, winning the Harvest Gold plate, a claiming race and the Mid-Western Melvin H., (Saskatoon); also placed in Spud Murphy, and Stampede Handicaps. Claimed by Canada West Stable and handled by trainer H. J. Barrobby he rose from claiming to handicap rank.

Special Mention to two five-year-old mares, **SWEET BYEANDBYE** and **GRAND CHERE**, both sired by Flutterby, who performed consistently throughout the season. Horses to watch in the future Sundance Chief, Take One Step, Love Your Host, His World.

There were 876 horses recorded. W.C.R.A. bonuses are **NOT** included, ratings range from a high of 208 down to 100, based on performance and personal observation, which are in no way to be construed as speed ratings.

ANOTHER RECORD FOR 1971

The total bonus amounted to \$158,471.07. This distribution covers all races with a purse value of less than \$5,000, increasing the purse value of 873 races by \$181.52.

The figure has been divided between the first five horses in the usual manner —

first	(63%)	\$114.36
Second	(20%)	36.30
Third	(10%)	18.15
Fourth	(5%)	9.08
Fifth	(2%)	3.63

This creates a record purse distribution on Western Canada Racing Association tracks of \$1,674,879.85 as compared to \$1,612,895.00 distributed in 1970.

112 Days Offered

EDMONTON (Special) — The Western Canada Racing association announced plans to offer 112 days of thoroughbred racing during 1972, divided evenly between its two tracks in Calgary and Edmonton. Last season there were 108 days of the sport carded.

Larry Wiseman and Ken Hendricks shared leading rider honors with 26 wins each, closely followed by L. Bird, with 25.

"Bud" Greenwood was leading trainer with 12 wins. Runners-up T. Marks and B. Palaniuk each collected 9.

Highlights of the Marquis Downs meet was the 11th running of the Midwestern Melvin Handicap, when SOOTIME ably ridden by jockey Frank Barroby, trained by brother Harold Barroby went to the winner's circle for his owners, Canada West Stable of Calgary, after setting a new track record for the mile of 1:38.4.

Premier event of Regina was also taken by an Albertan invader, when STARRY PRINCE, owned by Golden West Farms of Okotoks, won the 11th running of the Saskatchewan Derby in convincing fashion under jockey John Whittle. Trained by

Angus Fraser, this was the colt's third win of the season.

Officials of the Saskatoon Exhibition Association have every right to be happy with the results of this season's thoroughbred meeting at Marquis Downs. It justified their decision three years ago to invest all surplus funds on the organization of a new track. Daily average increased from \$59,839 in 1970 to \$70,872 this year. One of the biggest factors was the track surface.

General manager Tom McLeod was equally happy with results of the meet in Regina. Average handle increased to \$83,087 this year from the 1970 average of \$71,279. Many improvements have also been instigated at the Regina plant also, including 24 new light standards and a new paved paddock viewing area for the public. All betting windows are now under cover, meaning the extreme heat and bad weather will no longer be the serious threat they were in previous years. New headquarters for the secretary's office and officials are located on the ground floor of the grandstand, plus the new jockeys' room.

#### FROM THE JOCKEY'S MOUTH

In days long past at Sheephead Bay carriage were frequently parked in the infield and go parties watched the races from atop the carriage and picnicked on the grass. One such party was once surprised when a jockey suddenly flew from his mount and landed in the midst of their picnic as the field passed them. It developed that he had been using a battery rigged to his spur and somehow he got the charge instead of his horse.

## "LAST POST"—WE MOURN THE PASSING OF:

William Arthur "Bill" Nuckles, a race horse trainer for many years on the Western Canada Racing Association circuit, passed away in January, 1971 at the age of 41, following a lengthy illness. Bill was a former Jockey's agent. He had enjoyed good success racing Thoroughbreds at Phoenix and Washington.

He is survived by his wife, Joan Nuckles and two daughters, Mrs. John (Susan) Haney and Patricia, also one son, Randall.

On August 19, 1971, Robert McFarland, of Jasper Avenue, Edmonton passed away, after a lengthy illness. Long time owner-trainer "Bobby" is survived by his loving wife Inger, a daughter, Mrs. Verne (Gwen) Clark, and three sisters.

John Brock, former owner-trainer and father of trainer Ronnie Brock, passed away suddenly at the age of 55 years, on October 7, 1971. Besides his wife, he is also survived by two sons, Ronnie and Wayne, three daughters, Mrs. William Nelson, Mrs. James Conley and Miss Kelly Brock of Calgary. Also survived by 8 grandchildren and his mother Mrs. Helen Bolokoski. John was champion trainer on the Prairie circuit in 1964.

Thomas Boyd, aged 65, of Richlea, Saskatchewan passed away suddenly October 13, 1971. Mr. Boyd came to Canada in 1928 from Ireland. Well-known trainer-owner, he participated in the Western Canada Racing Circuit for the past 37 years, and was a member of the Horsemen's Benevolent and Protective Association. He is survived by a brother, nieces and nephews in Ireland.

On the 8th of February, 1971, race-trackers lost one of the most knowledgeable racing writers and reporters in Canada, when Denny Layzell passed away at the age of 55 from a heart

attack. Denny was born with a love of horses, inherited from his grandfather — Arthur Layzell, and he was an unashamed sentimentalist who wanted with all his heart to believe that Thoroughbred horses and the horsemen comprised a Utopian community.

Denny's greatest love was the little horse "Joey" whom he nicknamed "The Toytown Express", well-remembered by the oldtimers, for his phenomenal success on the track. "Denny" wrote a poem in memory of this skinny, little black gelding, sired by an undistinguished sire Dr. Joe and his dam, a crippled Thoroughbred mare named Aileen Hoey, who had been reduced to pulling a buggy. To quote Jim Coleman, "The final two lines of Denny's poem, strangely enough, provided a fitting epitaph for Denny Layzell:

"No fly-by-night ace: neither flashy or showy;

Just honest, consistent and tireless, that's Joey"

My friend Denny didn't set the world afire but he was a kind, decent human being; a Thoroughbred.

Mr. Layzell is survived by 3 daughters, Mrs. James Weed of Broadbent, Indiana; Mrs. Nancy Rayburn of Edmonton and Mrs. Ron Aiello of Calgary, also two brothers, Donald of Vancouver and Harvey of Wetaskiwin; also a sister Mrs. Kathleen Stitt of Calgary.

Jockey Virgil Pacheco, 30, died in hospital at Spokane, Wash., five weeks after a starting gate mishap in which he suffered a head injury that was not, at first, believed serious. The extremely popular Coloradan had been active at Calgary and Edmonton in recent seasons. Previously, he had been leading rider at Las Vegas, leading apprentice in Washington, and had ridden with good success at Arizona, Nebraska, B.C. and Manitoba tracks.

### JOCKEY ARMSTRONG RETIRES

TORONTO (CP) — Jockey Dick Armstrong retired from racing Sunday after 15 seasons and 1,034 winners.

The 31-year-old rider, who underwent three operations and lost a kidney after falling off a horse at Woodbine racetrack June 17, said he will return to his home near Maple Creek, Sask.

He plans to go into the cattle business with his brother.

"Racing has been good to me but after I lost the kidney I figured I better quit," Armstrong said. "There's only a one-to-1,000 chance something similar would happen again. But I'm not going to take a chance now that I've only got one kidney."

Armstrong, who rode his first winner on June 24, 1957, in Calgary, was taken to hospital after he fell off Stafford Farms' two-year-old maiden Princess Gate.

### CHANGE OF LUCK

Paddock Pete tells me one of his jockey pals was having a bad run of luck, so decided to change his appearance to get rid of "evil" spirits. He shaved his head, and believe it or not, after going 98 racing days without a winner, he won one, first time out after the shave job.

Pete's wondering if the haircut did bring about the change of luck, or if it was the reduction in weight.

## KNOWLEDGE

A veteran turf writer was introduced to the bride of a younger colleague. Attempting to make conversation, he asked "Were you interested in racing before your marriage?"

"Goodness, no," she replied brightly. "I didn't even know what a gelding was until I met Charley."

## NEWS FLUB

The following portion of a news item appeared in the Paris, Kentucky daily news on Wednesday, February 10:

"Earlier at 5:30 p.m., firemen made a run to Stoner Creek Stud where an over heated stud was said to be responsible for a blaze which erupted around the flue. Damage in that blaze was reported as comparatively light."

A record nine-day total mutuel handle was established, when \$619,774 was wagered, \$87,000 more than the record established in 1969.

Alvin McCauley was leading jockey with 13 wins at the Fall Meet, repeating his 1969 performance.

Delbert Rycroft, runner-up with 10 wins, was leading rider for the combined summer and fall meet with a total of 21 wins, 22 seconds and 15 thirds from 108; runner-up Larry Wiseman, had 17 wins.

K. Buxton and D. Cote each had 9 winners for training honors, for the combined meets, although Mr. Buxton collected his total at the fall meeting, making him the most successful trainer at that meet, and Mr. Cote runner-up with 6.

Apprentice jockey Don Hunt, turned in his best performance of the meet as he rode three winners

on closing day, including the featured Invitational Handicap.

Highlight of the Fall Meet was the Marjorie Williams Memorial Handicap on which a \$25,000 sweepstake was conducted. Northern Mission, owned by Edmonton sportsman Lee Williams, was the sentimental favorite and justified the punter's faith by winning under the expert handling of veteran jockey Sandy Shields, setting a new track record for nine furlongs, of 1:52.1, a full second off the previous record.

The mile and one-eighth contest was named in honor of the late wife of Lee Williams, who, a president of the Southern Alberta Racing Association, helped revive racing in Lethbridge in 1960 after a long period and operated the sport for 10 years before turning the operation over to the local exhibition board. The race carried the biggest purse in modern Lethbridge history, with a gross value of \$2,455. Winner's share equaled \$1,695.

All-in-all the fall meet lived up to expectation, of being the most successful in history. Not only were stalls filled to capacity with a broad cross section of horses from Saskatchewan, Manitoba, Alberta and the United States, the weatherman co-operated and best of all a totalisator board was installed.

Congratulations are in order to the Lethbridge and District Exhibition and our best wishes for many, many more successful meets in the future.

**YOUNG APPRENTICES IN ENGLAND**

A boy would be signed on at the age of 13, for 3 years, after which the five pound allowance was lost whatever the number of winners he had ridden.

In the twenties, discipline was strict and life was tough and hard for apprentices. They drew sevenpence a week for the 3 years. Boys were to be seen but not heard — there was no cruelty, but if one were foolish enough to talk back to the head boy, extra hours work round the stables was meted out as punishment.

The boys were up at 6:30 and then over to the yard to take care of their two horses, including grooming, riding, feeding and bedding down. Riding meant 2 hours a day and the boys were also taught to look for troubles in their horses, which were to be reported immediately to the head.

A good apprentice could earn a lot of money for his master in 3 years. One young apprentice was paid sevenpence a week for 3 years and during that time he had 40 winners. The cost to his master was two shillings and eightpence a month, thirty-two shillings a year. Under the terms of his contract the customary 10 per cent of the stake from every winner went to the master, also any extra cash present that might be given, also the master had no riding fee to pay . . . (sounds like paradise for the owners).

To sum up, English jockeys are considered to be the best in the world — they have a pride in their work and true concern for the horses they ride — one jockey told me the horses were considered as friends — but this was because they not only rode them they worked with them, and knew all their little quirks and foibles.

**UNEXPECTED DERBY WINNERS**

With rare exceptions, an owner who pays a nomination fee, then \$1,000 to "pass the entry box", and finally another \$1,000 to start in the Kentucky Derby, thinks he has a pretty good chance to win. On two occasions, however, owners were persuaded to start horses that they felt had no chance, and both proved to be winners.

Strangely, the late Earl Sande rode both horses and was responsible for their being in the race. In 1923 the Preakness was run before the Derby and Harry F. Sinclair's Zev had been kicked at the start, and beat only one horse. Returning to New York, he won an allowance race at Jamaica in mid-week and Sande talked Trainer Sam Hildreth and Mr. Sinclair into sending the horse to Kentucky. Some say that Mr. Sinclair was also influenced by the fact that many of his friends had backed Zev in the so-called "Winter" book and he felt they should at least get a run for their money. Zev proceeded to break on top and "improve his position", beating 20 others and paying \$40.00.

In 1925 Sande was making a comeback after a severe fall at Saratoga the year before. With the owner's permission Sande sought to buy the mount on Frederick Johnson's Quatrain, the favorite in the race, but Jockey Bruening wouldn't give it up. A group of newspapermen persuaded Gifford A. Cochran to start Flying Ebony and give Sande the mount. Twenty horses went to the post, and Flying Ebony was lumped in the field with eight others considered to be the outsiders. Bargain hunters who liked the idea of nine horses running for them "bet the field" so heavily it paid only \$8.30 when Flying Ebony won.

### FAIR PLAY AT PLAYFAIR

SPOKANE — Horsemen were the big winners during the 1971 Spokane horse racing season which ended in another barrage of records Monday, Nov. 1, at Playfair Race Course.

Horse owners collected a total of \$738,492.75 during the 50-day fall meet which was the 35th in Playfair history and fifth record season in succession. The payments to horsemen showed a sharp gain over 1970 and set the pace for the annual assault on the record book.

There were direct purse payments of \$595,930 (distributed for a record daily average of \$11,919, a gain of 7.5 per cent over last year and an increase of almost \$1,000 daily in the last two years). In addition, the season produced \$123,093 in bonus purse money for owners of Washington-bred thoroughbreds and an additional \$19,469.65 in awards to breeders of Washington-bred winners. Both figures are records.

Numerous other records were established for attendance, wagering and lesser statistical categories.

A record total of 249,569 fans attended the races during the fall campaign which opened Aug. 6. The daily average attendance was 4,991, second best in history and a gain of 0.3 per cent over 1970 although unseasonal cold and snow cut into sharp increases during the final three weeks of the season.

Total wagering was a record \$12,309,297 of which \$10,059.20 was returned to fans who held winning pari-mutuel tickets. The daily wagering average of \$246,185 was a gain of 0.6 per cent over last season with a much larger increase established during the majority of the meeting seriously abridged by date-season snow and cold.

Racing was unusually formful during the 1971 season. Favorites won 160 of the 500 races for 32 per cent after 29.2 per cent won in 1970. Favorites placed third or better in 62.6 per cent of the races which also was an increase.

Jerry Taketa won the jockey championship with 52 victories while A. J. (Dutch) Branenburg and Tom Crawford tied for the training title with 18 wins apiece. Crawford trained Wildwood Farm's Fleet Ahead who was voted Horse of the Meeting.

Mr. and Mrs. James Seabeck of Spokane were leading owners. Their horses earned \$17,938 headed by Spokane Futurity winner Charity Line who set a record by earning \$14,555.

KIM'S KID, always in close attendance to the pace while racing on the rail, was steadied when in tight with half-mile to go, moved up behind the leaders turning for home, then ran down the leader in the final sixteenth. CHATTY CAVALIER went to the front away from the gate, held the lead under good rating, withstood a challenge from SEVEN'S BEST on the backstretch, then could not cope with the winner's closing rally. SEVEN'S BEST raced forwardly from the outset and finished with determination. FLIGHT COUNT closed well through the drive. ROCKIN RULER lacked a true closing rally. HELKEY fell back from a good beginning. TYPICAL DANCER, well placed throughout, dropped back in the stretch.

Scratched: Penicillium.

GENTLEMAN CONN rushed up quickly to engage NO QUESTION ASKED, put that one away approaching the far turn and, responding to intermittent handling, held BRIEF ESCAR safe in the run for the wire. The latter took aim on the winner around the turn, failed to match that one while just outside but was easily second best. NO QUESTION ASKED hustled quickly to take a slight lead before a quarter, could not go with the top pair while inside and was ridden out in the stretch to save the show. MR. WOLFE lodged a bid around the turn while outside, but was never a threat. DANCING QUESTION had no apparent mishap. OIKIA and WHISKEY JACK showed little. PROUD STEVE away alertly, dropped back steadily.

### SIGNS OF THE TIMES

Signs at the track read as usual "Gentlemen must wear jackets in the Clubhouse". A sign in the local beannery, patronized by most of the natives and horsemen for many years, read: "Footwear is required of Patrons".

### PADDOCK PETE SEZ—

Paddock Pete sez the guys who visit head shrinkers and pay \$25.00 per hour for a session on the old couch and 50 bucks for each shock treatment are missing a good bet. They should visit Nizely's constant companion at the feed troff — Busly Gus, for a cut-rate jolt. Busly literally CHARGES only \$15 simoleons per shock per customer, and guarantees to put new life into your charger — working hours — early morning, only.

## WINNING POST POSITIONS — 1971

Same old story — inside post positions dominate the percentage of wins at all tracks, although at both Calgary and Edmonton, it was quite noticeable that on off-track days, outside positions were favored. On the rail, especially at the Calgary track, conditions were atrocious after heavy rain and many injuries, several leading to the necessity of putting down the injured animal was not conducive to a feeling of love and affection for those responsible for the track and conditioning.

# MR. CONSISTENCY

**Bay Horse, 1958**

Mr. Consistency won or placed in 16 major stakes and earned \$416,360. At three, he won the California Derby and was ranked at 113 pounds on the Blood-Horse Free Handicap. At five, he won the Del Mar Handicap (running  $1\frac{1}{8}$  miles in a blazing  $1:47\frac{2}{5}$  off the track record, defeating Native Diver by seven lengths), and placed in five other added-money events. At six, his already excellent record took on additional luster with some truly outstanding performances. He won the Arcadia Handicap under top weight of 124 pounds,  $1\frac{1}{4}$  miles in  $1:58\frac{3}{5}$ , only  $\frac{1}{5}$  off the track record. He won the \$100,000-added Santa Anita Handicap  $1\frac{1}{4}$  miles in 2:01,  $1\frac{1}{5}$  off Round Table's track record, defeating 17 horses including Gun Bow, Cyrano, Olden Times, and Admiral's Voyage. He followed this highly impressive performance with a resounding victory in the  $1\frac{3}{4}$  miles \$75,000-added San Juan Capistrano, under top weight of 125 pounds running the turf distance in 2:49 on a good track. Second in the \$100,000 added Californian, he beat Kelso by  $6\frac{1}{2}$  lengths, and again defeated Native Diver. He won or placed in four other major stakes that year. Versatility and class. These were the hallmarks of Mr. Consistency. He beat top sprinters going short, and classic horses over a route. And he was equally adept on dirt and turf. Although he had 77 starts he retired sound. By the phenomenal \*Alibhai, among the leading sires 14 times, and the sire of more than 50 stakes winners including Traffic Judge, Your Host and Determine, Mr. Consistency is from a family of many top class stakes winners. All the potential for great success as a stallion. Mr. Consistency.

In the stud, Mr. Consistency has sired the winners of over \$200,000 from his first 4 crops.

## WHAT'S IN A NAME

A rose, by any other name would smell as sweet, so they say, so I wondered about a Nijinsky, there being Nijinsky and Nijinsky II. The original Nijinsky was foaled in 1958, a bay son of TOM FOOL — NATASHA, by NASRULLAH, an excellent pedigree, and one very similar to NIJINSKY II, who was sired by NORTHERN DANCER, tracing back to Nearctic, etc. to Phalaris, whereas Nijinsky, the first was sired by TOM FOOL, tracing back to Phalaris through Menow and Pharamond II. The similarity does not end here. The dam of NIJINSKY II is FLAMING PAGE, by Bull Page, tracing back to \*Teddy and the dam of the original Nijinsky is NATASHA, by Nearctic out of the dam Vagrancy by \*Sir Galahad III, who is by \*Teddy so the similarity in breeding is quite evident.

As to the similarity in the racing records, there is no comparison. Nijinsky, number one,

was the winner of 3 races from 2 to 6, earning \$9,635. NIJINSKY II, was foaled in 1967, shipped to England and covered himself with glory, winning all major stakes, and voted European Horse of the Year, thereby joining a very select group of world-famous horses. He is the first English Triple Crown winner since 1935 and dominated the 1970 flat racing season in England with 4 victories and a second, making him the season's leading money-winning horse. In addition he won twice in Ireland and was second in the Arc d'Triomphe in France, to bring his total 1970 earnings to \$618,761, while increasing his career earnings to \$677,117 and leading European money-winner of all time. NIJINSKY II will enter stud in 1971 at Xalapa Farm, near Paris, Kentucky, which is leased by A. B. Hancock Jr's nearby Claiborne Farm. NIJINSKY II was syndicated for the record sum of \$5.44 million.
